

Weekly Bulletin for Students

April 4th, 2018

April 27th is the **National Day of Silence**. This event brings awareness to the silencing effects of LGBTQ slurs and harassment. Be on the lookout for flyers with more information about the event. There will be more information outside the cafeteria during lunch on Friday the 27th.

The Beacon Olympics is May 2nd! Beacon wants to thank you all for another wonderful year at Burton High School. Join us for music, free food, and games at the Annual Beacon Olympics. Wednesday, May 2nd after school, join us on the quad to compete against your classmates, enjoy some delicious food, and celebrate each other! Let the games begin!

The Beacon is current accepting application for our Counselors in Training (CIT) program! Do you want to work with kids this summer? This Friday, April 15th is the last day to apply to be a Counselor in Training with the Bayview YMCA this summer. Please pick up and drop off applications to Emily in room 210.

The Beacon is going to be open this summer! Come hang out in the Beacon this summer from June 13th - July 20th. Stop by the Teen Center for more information!

The Beacon is currently accepting applications for our NEW Academy of Career Exposure summer program! This program is open to the first 15 Freshmen and Sophomores who apply. Every week you'll get the chance to go on a job shadow to a different company in San Francisco! Come start thinking about what you might want to do after high school and college and receive at \$50 stipend week each week! Stop by the Teen Center for more information!

The Beacon will be closed next Monday, April 16th for a staff professional day. We're looking forward to seeing you on Tuesday!

MEDICAL: Wednesday, April 11th, Health Core will be here to talk about summer programs for all grades. SENIORS... **Skyline College, City College of San Francisco, and UCSF to bring a full year of instruction, mentors, hands-on experience and**

internships to participants!

Are you interested in **automotive technology and building and construction trades industries**? Stop by the Beacon Computer lab WEDNESDAY after school to learn more about a special summer program just for you that consists of a combination of classroom learning and worksite visits. Students who participate in this one-month summer program will receive 10 high school credits, 3 college credits and earn a \$1,000 stipend!

Every Friday @ 3:00. YOU CAN Investigate Your Future: Want some support in thinking about what you might do in the future? Come check out Investigate Your Future, every Friday in the Beacon Computer Lab right after school to explore careers of interest to you, what the job actually entails, potential salary, education required, and forecast for job openings in the future...and **SUMMER JOBS!**
